# Rotorua Forest Industry Cluster Group

Ongoing consultation with the Rotorua Forest Industry Cluster through the Business Development Unit of the Rotorua District Council has led to a decision to transfer the industry capability (Access) database on to a website.

The website development will enable global access and opportunities for cluster members and will also enable inward trade/investment

inquiries to be triggered. Similarly, it will also have the facility for users to click directly to cluster members' Home Pages for more detailed information.

For further information, contact Ross Stanway, Business Development Manager, Rotorua District Council. Phone: (07) 348 4199; Fax: (07) 350 0182; email: rstan@rdc.govt.nz

*The log prices shown in these tables are reported by the Ministry of Agriculture and Forestry for the June Quarter 1999.*

*Returns to small growers may be lower than those recorded here owing to scale and buyers' margins. These log prices are historical and indicative only, and may not correspond to actual prices paid, or grades used, in market transactions. The prices are subject to changes when further data becomes available. The sources for this information are Ministry of Agriculture and Forestry industry contacts.*
